WOODROW WILSON HIGH SCHOOL

Foreword

WHEN we, the class of 1948, entered Woodrow Wilson three years ago, we did so as children anticipating the new experiences and broader contacts high school would bring to us.

For these past three years we have had our share of work and our share of fun. Our reasoning has become more mature, our outlook has been broadened, and we have made friendships which will long be cherished.

Today we are no longer the children of three years ago, but young adults on the threshold of wider horizons. Many of us intend to enter college; others are planning to enter the business world. Whether it is to be for us, additional learning or practical experience, we feel that we are capable of doing our share towards making a better and more united world.

The Story of the Year

Going to School

Football Game

The opening of school on Monday, September 22, was received with the usual emotions. The sophomores were confused; the juniors, discouraged; the seniors—well, "Hope springs eternal in the human breast." With new schedules and teachers, confusion reigned; but books were quickly given out; and soon the only remaining sign of summer was the fading sun tan. On Friday, the Homecoming Dance, attended by everyone from the third semesters to the alumni, provided a much needed source of relaxation after the first arduous week of school. The next day, the football team received its first harbinger of a luckless season when it dropped a 13-8 decision to a Western team that was holding desperately on its own ten yard line when the game ended.

The school began to function smoothly again as the Orientation Assembly came and went. McKinley Tech handed Wilson its worst interhigh defeat of the season, 25-0; but the cheering section still had hopes.

The Naval Reserve held the first recruiting assembly of the year. It was followed by assemblies for the other services, none of which aroused any great interest.

With the usual oratory and unlikely promises, the campaigns for offices on the Student Council took place. Leigh Gunn was elected president; Alan Raywid, vice-president.

Wilson's football hopes grew dim with heartbreaking losses to Georgetown Prep and Anacostia.

Pink cards were all the rage after the annual dental examination. We submitted to the poking and scraping of the examination, took our cards home, and forgot about them.

The Yearbook presented its usual publicity assembly. Highlighted by Alan Raywid's side-splitting performance, it may have produced

a few sales to the morbidly curious.

The Tigers played their best game of the season against Central, but the Vikings won 21-12. The whole school was saddened by the serious injury Julian Self received in this game, and everyone was immeasurably relieved when he was able to get around again.

In one hectic day our eyes were examined, and our pictures were taken for the office records.

On succeeding days we saw the Red Cross Assembly, the Operetta Assembly and our report cards, and our only grid victory of the season. The win over Roosevelt, in which the whole team looked good, helped to console us for the reports we had received the day before.

Signs of February graduation appeared with the election of class officers. Dick Sanders was elected president; Julian Self, vice-president; Dolly White, secretary; and Alice Cleary, treasurer.

The operetta "Pirates of Penzance" was presented on the nights of November 13 and 14. Bob Moncrieff, Barbara Sharpless, Edna Hammill, Porter Woods, and George McWhorter played the leads.

Student opinion favored the Yearbook highly when pictures of sections, teams, and organizations were taken. Classrooms were deserted while the halls and grounds were filled with the photographed "trying" to find the way back to class.

Wilson's first paint job since its completion provided a topic for conversation that displaced even the weather and the Russians. First a vanguard of plasterers moved in to patch the cracks; then the painters came. They put their scaffolds and paint buckets in the most traveled routes; they slapped paint on the ceilings while we hurried apprehensively by; they gesticulated with their brushes. They were a necessary evil. When they left, the school was a place of beauty wherein we were supposed to enjoy learning; but no marked improvement in scholarship has been noticed.

A program over the speaker system ushered in the Thanksgiving holiday which provided a much appreciated break.

Eighteen members of the football squad received letters at an awards assembly December 12. Julian Self received his in his first appearance at school since his injury.

The Christmas Assembly, featuring carols, tableaux, and "Santa's" gifts to children of the faculty, introduced the festive season. With vacationing alumni in attendance and music by Osmun Barr's Orchestra, the Santa Swing was a huge success. School was momentarily forgotten in the rush of the holidays, and it was a much refreshed student body that came back to school on January 5.

The next day, Mr. Kupka introduced the basketball team at a pep assembly. The team, which already had a 2-1 won and lost record,

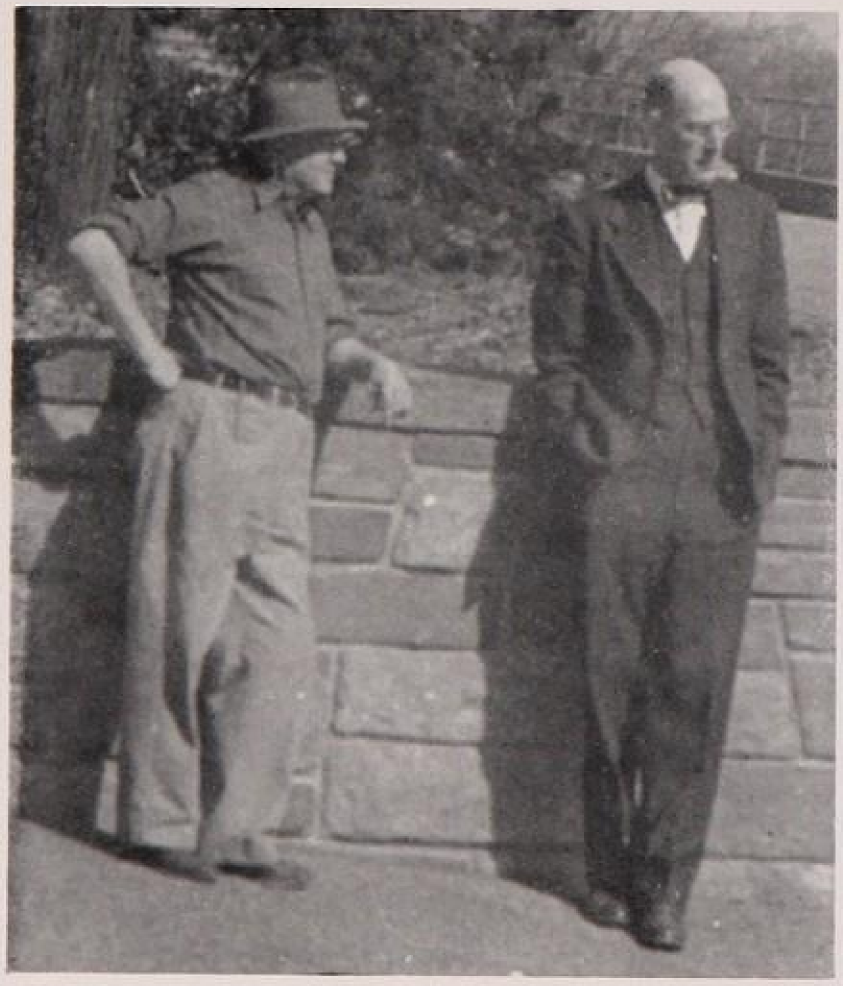
had hopes for a fine season. That night Don Snider's last-second shot provided the margin of victory in a 30-28 win over Central.

The Army Ground Forces Band, playing a variety of classical, popular, and martial music, presented one of the best assemblies of the year.

Roosevelt started its surprising rise in basketball by defeating the Tigers in a game at the National Guard Armory.

Twenty new members of the National Honor Society were inducted in an impressive ceremony in the auditorium.

The Student Council's pet project, the Student Lounge, was opened on January 19. Ping-pong tables and a radio phonograph comprised its equipment, and steps for a more luxurious lounge were being taken.



Mr. Entwistle and Mr. Holmes

Operetta

The week that had started so auspiciously with the opening of the lounge fulfilled its promise. "The Pot Boiler," billed as a comedy, actually proved to be amusing. The basketball team hardly got a workout in defeating St. Albans decisively. The February grads left us in a lighthearted mood produced by the Farewell Assembly. Friday night the basketball team took a well played game from Western, 46-36. Now tied for first place, we had high hopes for the championship despite the announcement that Pat O'Neill would be unable to play any games. At the same time Osmun Barr played for the Senior Prom at the Chevy Chase Women's Club.

On January 30, the new semester produced its usual confusion. We lost to Tech as the whole team missed easy shots.

The next Tuesday Jack Whitcomb's 28 points led Wilson to a 66-28 victory over Georgetown Prep. Then we dropped a close game to Eastern on Friday, 46-43. Leo Speros, playing his first game, was impressive, while Whitcomb held his 12 point interhigh average.

Charles Beaumont, Leigh Gunn, Margaret Graham, and Alan Raywid delivered campaign speeches for president of the Student Council. The following week's elections made Raywid president and Beaumont vice-president.

"Mole" Janigian and Jack Whitcomb together contributed 40 points to spark a win over Coolidge. A week later, on February 20, Wilson took a crucial game from Anacostia, 44-32. Whitcomb's 22 points gave him an interhigh total of 104 points and made him

"Get it, Jack!"

runner-up to Anacostia's Warner. The next day the Tigers came back to defeat Tech 43-42 after blowing a seventeen point lead. Speros led the scoring with 14 points. Then a defeat by Roosevelt destroyed our championship hopes. Eight members of the team received letters, and the whole squad was praised for its fine season.

Preparations for June graduation began with a Senior Class Meeting at which Gene Calnan was elected president of the graduating class. At later meetings, Ed Frager was elected vice-president; Margaret Graham, secretary; and Sue Finn, treasurer.

About this time we dutifully stood before a grotesque machine and permitted ourselves to be X-rayed.

On March 8, the baseball and track squads came out. Both squads showed promise, and championship hopes were high.

The annual Country Fair was held on March 19. Its features—games, prizes, raffles, grab bags, bingo, to name a few—surpassed even the glowing predictions made in the publicity assemblies. The Fair was a success in every way, for not only did everyone enjoy himself, but also $1,200 was raised for the benefit of the war orphans.

The ten day Easter vacation provided a welcome respite from the cares of the school. The Easter Cantata, presented just before the vacation, beautifully upheld Wilson's high musical standards.

Wilson's baseball team opened its schedule with a brilliant victory over St. Albans, 17-2. The next day, however, Mt. Vernon crushed the Tigers 10-0. The track team was impressive in a triumph over Coolidge, the second straight for the Tigers.

Wilson's Cadets, who had been preparing for the competitives all year, placed fourth in the Battalion Competition at Central Stadium. Later in April the two companies competed in the Company Competition.

A spring sports assembly brought out the players and coaches of the four spring squads: tennis, golf, baseball and track. The tennis team, with five returning lettermen, and the track team appeared capable of holding their interhigh championships. The outlook in baseball and golf was hopeful.

At the end of April, the Junior Prom ushered in the last days of our high school career. With graduation in sight, the days sped by. May Day, Career Day, Student Day, one after another, and May was gone.

With June the seniors found themselves in a mad whirl. Senior Prom, Farewell Assembly, Yearbook distribution, Class Night, Baccalaureate Service, finally Commencement, and we were seniors no more.

Spring Play

On April 15 and 16, 1948, The Woodrow Wilson Players presented *The Whole Town's Laughing,* a comedy by Robert St. Clair.

The cast was composed of:

Mrs. Brien-Moore	Laurel Brown, Marilyn McMurray
Douglas Brien-Moore	Sam Barrow
Chester	John Miller, Thomas McFee
Polly Dutton	Patricia Dowd, Patricia Perry
Doris Dutton	Nancy Morse, Viola Farber
Geoffery Lamont	Russell Church, Jim McMurray

Clara Belle May	Phyllis Chase, Mary Rowley
Sarah	Nan Erickson, Jane McGrady
Count De Jong	Eric Lilian
Countess De Jong	Jennifer Ball, Joan Sanborn
Innes Maguire	Melba Abril-Lamarque, Barbara Rogers

The plot centered around the socially conscious Brien-Moores, a snobbish family of supposedly noble birth. When Uncle Larry came to town fresh from Coney Island and decided to open a hot dog stand in their front yard, the reputation of the Brien-Moores was placed in a rather precarious position. However, they were rescued from disgrace by Mary Ellen, a very determined young woman, who exposed the Count and Countess.

The play was directed by Mrs. Florence Lumsden. The stage crew and the Buskin and Masque Club helped with the production.

Battalion

WITH the end of the war there was a letdown in cadet interest, but we of the Sixth Regiment feel that this year has been one of building up of spirit and interest in the students and faculty. The Sixth realizes that competitive drills are not won by luck or a sudden inspiration while marching onto the field. They are won only by putting on a winning drill each and every drill day during the year.

As the cadet year has progressed, the spirit of the men has steadily risen. As the men learned and became proficient in their duties and responsibilities, they changed from a group of rookies to an experienced team and gained self-confidence. The men felt this improvement themselves and developed that spirit and cooperation that are necessary for successful companies and battalions.

I can hardly write about the Sixth Regiment without extending my appreciation to Captain Paul S. Pitcher, our military instructor, for he has rendered invaluable aid to all Wilson cadets.

I hereby extend my gratitude to the commanders of the companies in my Battalion, for their diligence in handling their men. Under the inspiring leadership of Captain Clark of "B" Company, Captain Clinard, of "C" Company, and Captain Morrill of the band, the battalion has improved steadily. I, therefore, believe that these captains, with the assistance of their able lieutenants and the cooperation of their men, will reach the goals they are seeking. I had the good fortune this year to be assisted by a very competent staff. Captains Ivey and Woolf and Lieutenant Mayer have given me excellent support during the year.

In closing I take this opportunity to express my gratitude to the men in the ranks whose cooperation has enabled the officers to progress so well, and to wish them luck in the drills to come, for they will succeed the officers of today.

ELLIOT C. BARNETT,
Major, H. S. C.
Commanding, 6th Regiment.

Company "B"

AFTER three and one-half years in Company "B" of the Sixth Regiment, I am proud that it may be said the unit has always given a good account of itself and may be expected to continue its effort for improvement. Upon relinquishing command of the company, I should like to review some of our pleasant and profitable experiences together. There have been the impressive regimental and battalion drills of a bygone day and the satisfaction or disappointment in the results of the company competitive. Also, there have been the Colonel's Inspections in the armory and the extended order drills under a blazing sun. These are the experiences we have had together and they have served to strengthen us as a unit through exertion and discipline.

The most valuable lessons that we, as members of the Cadet Corps, can hope to acquire by our experience is one of the fundamentals of organized society: the subordination of individual interests to those of the group, the unit, or the community. With this knowledge of our purpose we have united our effort not only for self-improvement but for more effective competition and for credit to our school.

As I "pass in review" for the last time this June, and the sound of marching feet reverberates no more, it will be with a keen sense of regret that I bid you a cordial farewell. I know that the proud spirit of the company will produce better and better leaders since they will emerge from the sturdy ranks that make up our Company "B." As I relinquish my saber to my successor, I can only admonish him that the blade once belonged to one who cherished it and the ideals which it symbolized.

Company "C"

THIS year the Washington Cadet Corps has been suffering from a severe lack of manpower. The enlistment decreased in every school in the city. At Woodrow Wilson, the cadet corps did not suffer as much of a drop as did the other separate units at the various schools. This may be due to the fact that "B" Company's fourth place last year has revived in the boys the desire to win. Even though Company "C" did not do very well in the company competitive, it has the spirit and the practical knowledge which will pull it up the steep road to success this year.

Winning a competition, however, is but a small part of the many benefits which may be derived from the cadet corps. The cadet first learns to take orders and carry them out to the best of his ability. Later he is given responsibility in his cadet duties, which he learns to discharge in the proper military manner. He learns discipline, which is an indispensable element in any military team.

Company "C" will go on the competitive field with the strong hope of breaking the jinx which has kept it down for the past two years. The fine cooperation of Lieutenants Durgin and Eden and First Sergeant King, with the diligent work of the company, the enlisted men, will be good assurance of a successful year.

To the "C" Company personnel of future years, may you carry our guidon proudly and with success.

Cadet Band

THIS year, due to the lack of numerical strength, the Cadet Band has had to fight hard in order to remain together. We do have, however, a fine group of fellows that have the initiative and what it takes to stick together and who are doing their best to bring a few more laurels to the school. In our present condition, I doubt whether we shall be able to go on the competitive field, but we will do our best to help give the school a winning battalion and two winning companies.

In our band, we do not try to play the same thing over and over again but try to play some marches, various overtures and band selections. In the past, we have appeared in many assemblies and in musical gatherings, but this too has been curtailed because of lack of members. This year we tried to form the pep band around the Cadet Band, but we ran into the same difficulty. I sincerely hope the instrumentalists of the school will wake up and join up.

I should like to express my appreciation to Lieutenant Barrow, Drum Major Stine and First Sergeant Workman for their aid and leadership in the running of the band. Also, I extend my thanks to all the other members for the work they have done.

I am sure the entire band joins me in my gratitude to Mr. Essers who has spent so much of his time with band work this year.

WILSON—7 WESTERN—13

The Green Tigers started their poorest football season in dropping a 13-7 thriller to their traditional rivals, the Western Red Raiders. It was Don Strain and George Holmes collaborating like Rogers and Hart to move the ball downfield two times. The first score came as Strain bulled his way over from the one-yard line and the other Western tally was a 15-yard heave from Holmes to Norm Wacker in the end zone. Wilson's only score came in the third period and was a five-yard pass from Mole Janigian to Pat O'Neill, who raced 35 yards for the score.

WILSON—0 TECH—25

A first period passing attack that carried them to the Trainer two-yard line was the best the Tigers could do in taking a 25-0 whitewashing at the hands of Tech's powerful championship team. Scoring honors were distributed evenly as Buggs Thompson sprinted 17 yards to paydirt for the first score, Jim McCauley scored on the end around, Cece Gray plunged off tackle from the two and John Passas dived over from the one-foot line.

WILSON—7 ANACOSTIA—13

The Anacostia Indians went on the warpath as they downed the luckless Green and White, 13-7. Outside of the six plays that netted the Indians two touchdowns and the game, Wilson did look good. Bob Mitchell received credit for the first score as he cracked nine yards after Ralph Frasier had set up the play with a 69-yard scamper. Their other TD went to Chow Echaves who carried the ball on three straight plays, scoring on the third. Wilson got their only tally on a last period drive that featured Danny Ventres' brilliant passing. The payoff pitch was a six-yard toss from Ventres to Janigian.

WILSON—0 COOLIDGE—7

The Wilson Green Tigers absorbed their fourth straight inter-high loss; this time it was a 7-0 shutout administered by the Coolidge Colts. Both teams were evenly matched and the only difference was the final reading on the score board. It was again a powerful ground attack that spelled defeat for the Tigers. The bull-like rushes of Eddie Brosnan and Ed Scheaffer and the end runs of speedy Tex Jones put the ball on the four-yard stripe where Scheaffer took it over for the score.

WILSON—12 CENTRAL—21

Wilson may now be called the last play wonders as they scored on the last play of each half in losing a 21-12 decision to the Central Vikings. On fourth down with three yards to go, Dan Ventres passed to Mole Janigian in the end zone for the first Wilson marker. On the last play of the game, Tiger center, Eddie Frager, intercepted a Bill Giglio pass and raced 75 yards to paydirt. Central scored on the short plunges of Dale Leathery and Ross Keith and the sensational touchdown sprint of 85 yards executed by scatback Jim Pantos. It was on this play that Wilson right halfback Julian Self received very serious head injuries.

Backs—(left to right): Dick Pace, Dick Janigian, Bill Voigt, Dan Ventres.

WILSON—14 ROOSEVELT—0

Two second half scores gave the Green Tigers their only win of the season as they downed the Rough Riders of Roosevelt, 14-0. Both Wilson tallies came as the result of alert defensive play; the first after Howard Bender intercepted a a Vince Pugliese pass and the other followed Bob Coll's recovery of Pugliese's fumble. Dick Pace raced ten yards around left end to score the first TD and Bill Maddox broke into the scoring column when he collaborated with Mole Janigian for a 25-yard pass play.

WILSON—7 EASTERN—13

November 14, 1947, was another tough day for the Green Tigers as the Eastern Ramblers set the Tigers down 13-7 to end a none too glorious football season for Wilson. This time it was two long runs of fifty yards that proved the margin of victory. Richie Hite scored once on a punt return and Ed Smith scored the other Eastern tally after Buddy Durand had raced fifty to the Wilson one-yard line. The Green and White's only score came on a six-yard pass play from Mole Janigian to Dave Doyle.

Junior Varsity Football

Wilson's J.V. football team, coached by Mr. Feller, finished its season with two wins against three loses.

Wilson scored wins against Tech by 19-6 and Coolidge by 13-6. In a return game with Coolidge, Wilson was defeated 7-6. The other loses were to Western, who outscored the little Tigers, 19-14, and to St. Johns, who won by one point, 7-6.

Despite this not too impressive record, the year's play did reveal much varsity material. Most notable was James Torrence at guard, who showed exceptional play and should strengthen next year's varsity line. Others starring in the line were Kermit Eby at guard, Alan Sher at end, and Ken Moore at tackle. Showing excellence in the backfield were "Hank" Offterdinger at fullback, Don Hall at quarterback, and John Joseph as alternating fullback and line backer.

Basketball

WILSON—30 CENTRAL—28

A Wilson team rated high in the pre-season pickings because of their four returning starters, Pat O'Neill, Don Snider, Bob Carter, and Jack Whitcomb, managed to edge out Central, 30-28, in their interhigh opener. The Tigers waited until the last two seconds of play to put the game on ice. With two seconds of play remaining and the score tied at 28 all, Don Snider took a pass in under the Vikes' basket and tossed the ball up for the winning tally. Hal Sponslor of the Vikings, who garnered the top scoring honors, was closely followed by Jack Whitcomb. They dropped in 15 and 11 points respectively. O'Neill, the interhigh scoring leader of last year, saw no action throughout the season due to a leg injury.

WILSON—31 ROOSEVELT—35

The green and white striped ones received quite a surprise from the heretofore lowly Rough Riders. In perhaps the roughest game of the season that saw four men put out on fouls and 46 personals being called in all, Roosevelt was never seriously threatened after they jumped to a 7-6 first period lead. A trio was crowned with the laurels that are given to the game's high scorers. Jack Whitcomb of Wilson and Bob Zamsky and Warren Siegel of the Roughs all dropped in ten points.

WILSON—46 WESTERN—36

Meeting their traditional rivals, Western, the Green Tigers showed no mercy in their 46-36 victory With Jack Whitcomb leading the way both offensively and defensively, the Wilson quint left the floor the proud possessors of a 24-13 halftime lead. By virtue of his six field goals and three free tosses Whitcomb again took the scoring leadership. This time, however, he was closely followed by two teammates, Don Snider and Mole Janigian, who dropped in 12 and 10 points respectively. Wayne Brizendine, who was high man for the Red Raiders with 13 points, had to wait until Whitcomb was retired on personals before he could rack up his last eight points.

WILSON—27 TECH—39

Wilson's playoff hopes received quite a jolt when they were upset by a team that had previously lost three straight interhigh games. Tech, led by the uncanny shooting of Henry Houck and Buddy Wickers, downed the Tigers, 39-27. Jack Whitcomb's nine and Bob Carter's eight points were not enough to pull the game out of the fire. Houck and Wickers led the scorers with 14 and 13 tallies respectively.

WILSON—43 EASTERN—46

Despite the 16 markers that Jack Whitcomb tossed through the cords for high scoring honors, the Ramblers of Eastern overcame a third period deficit of five points and went on to win, 46-43. The Eastern game saw a new star developed for the Tigers. "Leap" Speros, playing in his first interhigh game, sank three pot shots, a layup, and a free toss for nine points and second high scoring honors for the Green and White. Although Sonny Wesly led the Eastern team in scoring with 14 tallies, it was tall John Brown's great work under both backboards which was the deciding factor in the Rambler victory.

WILSON—51 COOLIDGE—37

With Mole Janigian getting hot in the second half, the Green Tigers overcame a 23-20 halftime deficit and went on to win, 51-37. Jack Whitcomb kept the Tigers in the game in the first half with 14 points and Janigan pulled it out of the fire in the second with 14 more. The two boys gained top scoring honors as they cut the cords for 21 and 19 points respectively. The Colts gave the Wilson fans quite a scare as they left the court at the end of the first half protecting a slim three-point lead. It was largely due to the hot hands of Jess Houston and Don Eslin, who dropped in 10 and 9 markers respectively.

WILSON—44 ANACOSTIA—32

Faced with the necessity of having to win or lose a chance at the playoffs, the Green Tigers poured on the steam in knocking off the Indians, 44-32. Although Jack Whitcomb was unable to catch Wally Warner in the individual scoring race, he did have a field day in chalking up 22 points. Warner, on the other hand, was able to sink only ten points in boosting his season's total to 110. It was "Mumbles" Kruithoff who put such a dark blanket over the tall blond. "Mole" Janigian and Don Snider got their share of points as they each hit the cords for eight tallies.

WILSON—43 TECH—41

Faced with an extra playoff game in order to get into the regular playoffs, the Tigers met Tech's Trainers in the American University gym and managed to squeeze by, 43-41. Midway in the third stanza, the Tigers had built up a sizable 17-point lead. It took only eight minutes for Buddy Wickers and crew to draw within two points of a tie. Wickers himself played quite a game as he put 24 points through the hoops. Leap Speros' 14 and Jack Whitcomb's nine markers were high for the Wilson team. Three points dropped in by Bob Carter in the last two minutes of play proved to be the margin of victory.

WILSON—43 ROOSEVELT—46

Meeting the same team twice in one year did not prove too profitable for the Green Tigers. Hoping to avenge an earlier season loss and to go on to the finals, the Green and White could do no better than second best in losing 46-43. Despite the loss, Don Snider and "Leap" Speros gained the scoring laurels along with Billy Paugh of the Rough Riders with 13, 12, and 12 points respectively. Snider showed quite an eye as he dropped in five pots from way out. Billy Hibbs of the Riders played his best game of the season as he dropped in ten points and led his team in putting on the freeze in the fading minutes of play. The Roosevelt game finished a season in which the Tigers won eleven games while losing seven.

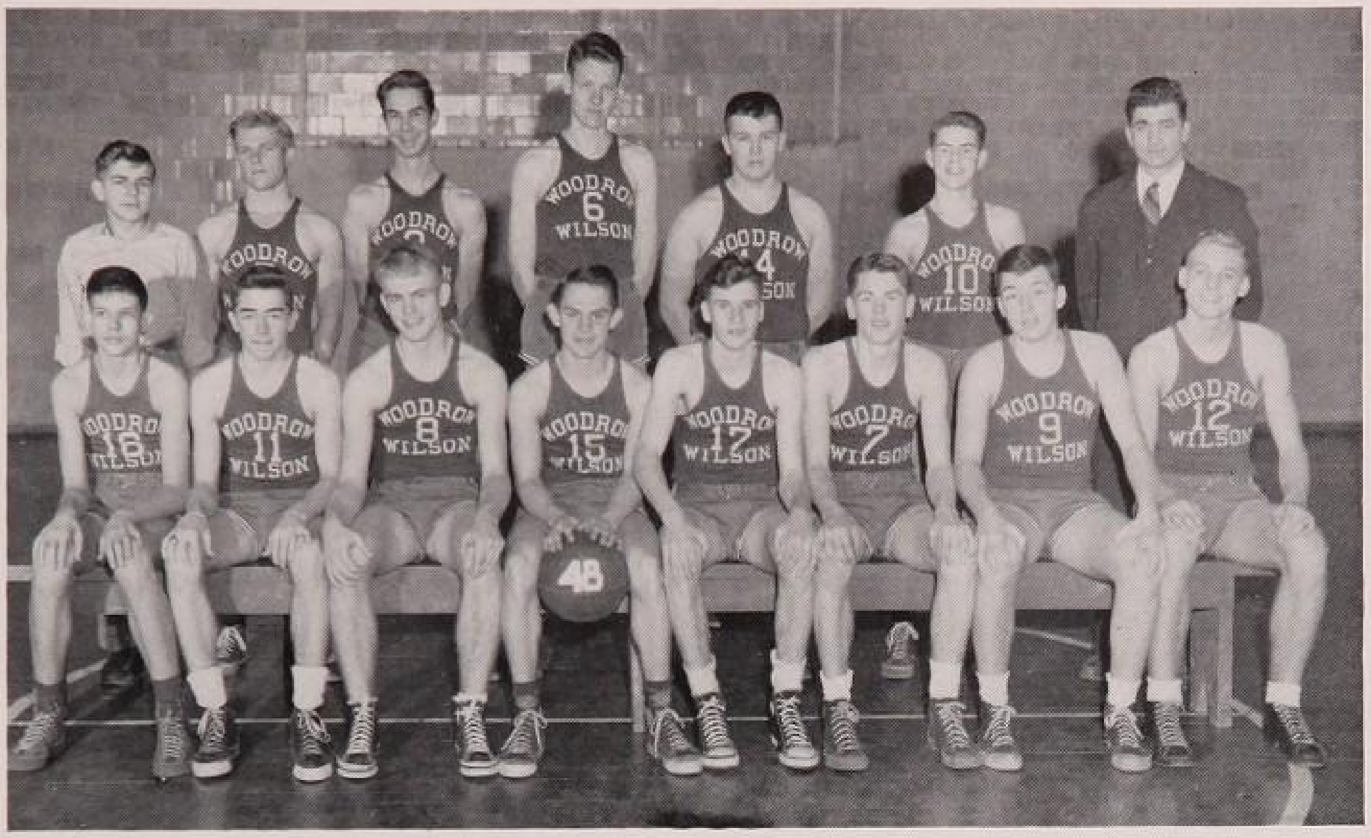
At the end of the season, Wilson's court crew had a respectable 11 won and 7 lost record. Against all interhigh competition, the Green and White ended up with five victories and four defeats.

In non-league competition, the Tigers piled up six victories against only three defeats. In their annual series with George Washington, they came out with a five-hundred average, losing the first, 36-30, and winning the second, 34-29.

The only team able to down the Tigers twice was St. Johns. The first, a comparative rout, ended 47-31 in favor of the Johnnies. They were hard pressed, however, in winning the other, 51-49.

A home and home series with Baltimore City College proved very satisfactory, with the Tigers winning both games by scores of 41-32 and 43-41. Georgetown Prep proved to be easy meat for the Tigers as they were subdued twice: 51-26 and 66-28. St. Albans was also nice enough to give Wilson a mark on the right side of the ledger as they went down to defeat, 49-33.

As a season clincher, Jack Whitcomb, Wilson's 6′2″ center, was picked on every all-high team and played in the All High-All Prep game.



JUNIOR VARSITY BASKETBALL

Second row—(left to right): Morton Bender, manager, Jim Torrence, Tom Seiler, Nealy Matthews, Don Meany, Jim Greene, Mr. Carlo, Coach.

Junior Varsity Basketball

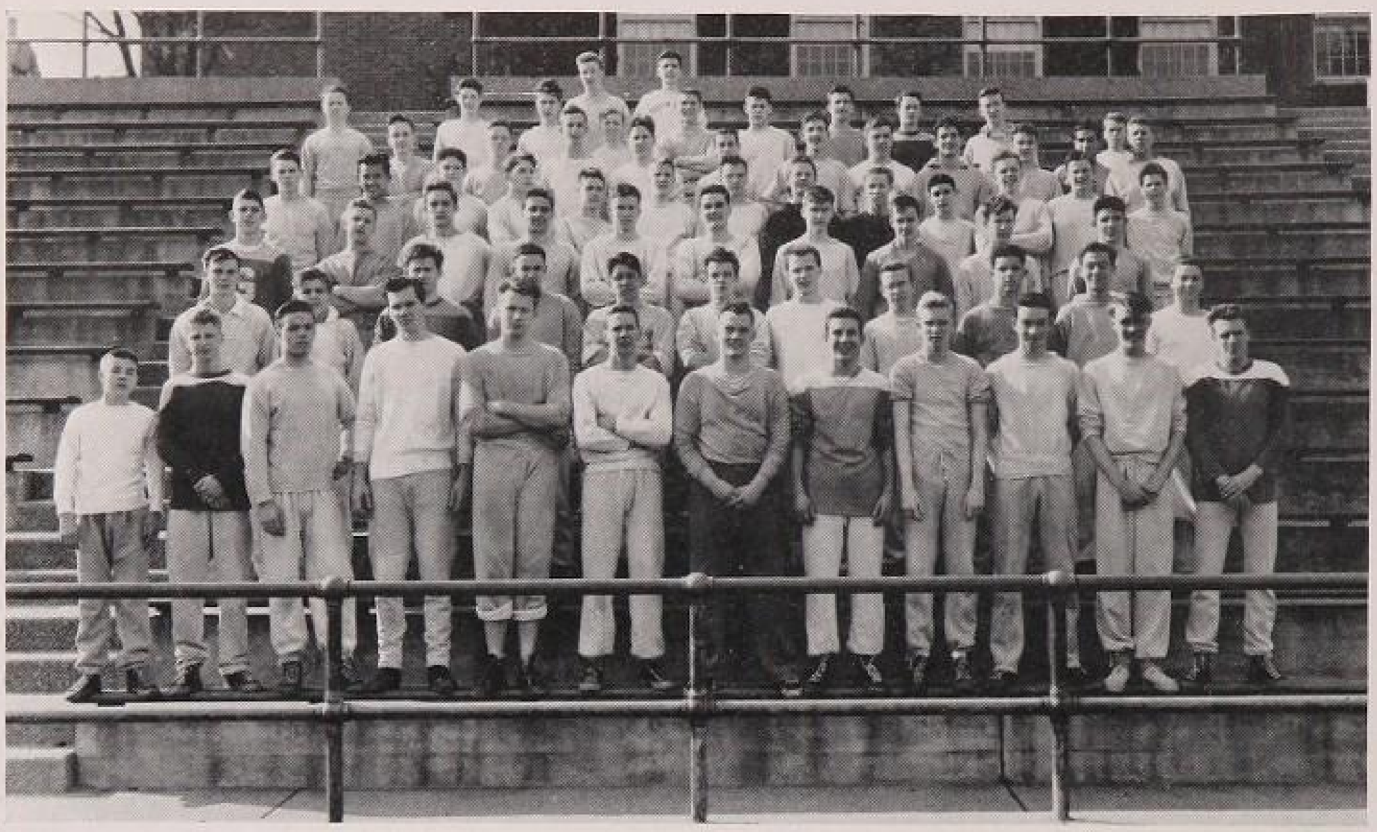
Wilson's Junior Varsity Basketball Team finished its season with a very impressive record of eight victories against only one loss.

The only loss came at the beginning of the season, when Tech edged out Wilson by a score of 27 to 24. After this slow start, the Jay Vees opened up and won their eight remaining games by one-sided scores.

The first victory was over Western by a score of 35 to 23. Then, in succession, the Junior Green Tigers defeated Coolidge, 40 to 24; Landon, 39 to 17; Bethesda, 38 to 18; Western again, 39 to 23; St. Johns, 54 to 40 (the highest score this year against the little Johnnies); Coolidge once more, 43 to 33; and Episcopal, 37 to 17 (the worst defeat in three years for Episcopal).

As might be imagined, there are a few varsity prospects among the players. Mr. Carlo, the coach, says that all the boys showed good play, but a few showed outstanding ability. These boys are Nealy Mathews, Preston Kavanagh, Dick Devos, Donald Scott, Everett Eynon, and Jimmy Young.

Eynon, with 54 points, and Kavanagh, with 48 points, were the top scorers during the season, and Eynon and Scott tied for the highest number of points made in one game with 14 apiece.



Track

The inter-high track title seems to be hereditary, as Wilson has held that billing for the past five years. The Green Stripes have a pleasing outlook for securing this reiterative title once again this year.

There are five returning lettermen. They are John Tibbets, Leigh Gunn, Bill Ladd, Danny Ventres, and Charles Beaumont. All of them are cinder men.

Some of the hopeful talent venturing to obtain a spot on the team are Pat O'Neill, Edward Schram, and Grover Cooper.

A sizable turnout and a delayed beginning, accounted for by unsuitable weather, made it a bit complicated for the team to round into shape early.

The number of returning lettermen in baseball compose a skeleton squad, as there are but six of them. Those appearing again on the diamond are Don Snider and Deane Maury, pitchers; Gene Calnan and Eddie Frager, infielders; "Mole" Janigian and Jack Whitcomb, outfielders.

There was an abundance of rookies seeking one of the five open positions. Howie Bender, Ev Eynon, Donnie Hall, Fuzz Jones, Don Snow, and Leo Speros were a few exhibiting great potentialities.

Tennis

With six lettermen returning to a seven-man squad, Wilson's tennis future seems bright, despite the loss of Gerry Thomas. Ted Edelschein, Bob Davis, Fred Plugge, Sam McClurd, Russell Church and Gil Sward are all returning. There seems to be no equal in the interhigh circles.

With only one returning letterman, the future of the Woodrow Wilson Golf Team is doubtful. Don Dedrick, letterman and captain, however, is one of the best school boy golfers in the city.

The other five members of the team are Sonny Cowherd, Eric Olav, Don's brother, Bob, Fred Munter, and Jules Dubit.

Coach Tony Kupka has selected the following four boys as substitutes: Jim Barrow, Ted Blackwelder, Don Kruitoff, and Jim White.

Hockey

Much enthusiasm and interest were demonstrated in the hockey tournament this year due to a newcomer to Wilson, Miss Virginia Hawke. Ninety-nine girls, composing nine teams, participated in the tournament. They were taught new methods and techniques for playing hockey by Miss Hawke with the assistance of the manager, Barbara Riley. Fifteen letters were awarded to the manager and the outstanding players.

Tennis

Ann McKenzie, one of Wilson's sophomores, was chamipon of the tennis tournament this year. She acquired most of her tennis technique and skill in Honolulu.

Basketball

Basketball, one of Wilson's most popular sports, was managed by Mrs. Steis with the assistance of Barbara Burd. More than 350 girls participated, and games were played before and after school.

Since three teams emerged unbeaten, there was an exciting play-off series between "The Amazons," "The Lucky Pennies," and "The Shady Ladies." After a close battle all the way, Miss Garber's "Lucky Pennies" finally won the conference championship.

W is for Wilson, where we hope to graduate.
O is for the office, where we go when we are late.
O is the outdoor study halls, they never come too soon.
D is on report cards, when they come out in June.
R is for rejoicing, when Wilson wins a game.
O is for the orchestra, we like them just the same.
W is for wishful thinking, "I wonder if I passed."

W is also worry when you find you came out last.
I is the infirmary, a refuge on test day.
L is for the library, a place of fun and play.
S is section period, school work has just begun.
O is for out back at three, the day is finally done.
N is for the new lounge, it finally came at last.

F is Friday afternoon, the school is emptied fast.
O is Ocean City, we're saving up our dough.
R is for report cards, which bring to us much woe.
T is "Take your dishes back," we hear it every day.
Y is for the yearbook, and the dough they make us pay.

E is the entrance exams, that torture us in Spring.
I is impatience when we wait for the bell to ring.
G is for the gym classes, our enforced recreation.
H is for our homework; a lousy French translation.
T is Wilson Tigers, we've cheered for them three years and now we've come to
leaving them, we're on the verge of tears!

NUMBER ONE SCHEDULE BLUES

OR

HOW'LL I EVER DO MY HOMEWORK?

OR

WHAT A WEEKEND!

WITH APOLOGIES TO EDGAR ALLAN POE

Now upon this Monday dreary
While I wonder weak and weary
How I'll get my homework done—
We're on that schedule—number one—
Suddenly there comes a thought
To my mind, so tired and wrought
As every Monday heretofore—
No more weekends—Nevermore!

As I sit and listen (?) to
The bulletin, thoughts pass in review—
Of all the things I'd *meant* to do—
Homework, housework, what-have-you.
Somehow, things got changed around—
To the game a ride I found—
Hot Shoppe after, lots of fun—
I got home at half-past one!

Saturday I stayed in bed
Till nearly noon. As Mother said
"Please help me do these dishes, dear"
There dawned upon my mind so clear
A promise, made the day before,
To meet Jeanne at the "Uptown's" door.
Saturday night—that special date—
I didn't get in till *very* late.

Next comes Sunday—church, then guests
Linger, while I should study for tests.
Lessons undone—oh, so many,
But Sunday night—McCarthy and Benny.
And now upon this Monday dreary.
I feel so weak, I feel so weary
I stagger through the classroom door—
No more weekends—Nevermore!

The Book of (Paint) Job

NEWS ITEM: *"At Wilson High, a new paint job will be done—Green, buff, yellow, light gray and dark gray or orchid will be chosen by each teacher for his room."*

The Lord God looked down upon the earth which he had created, and he found it not good, for in the Tribe of Wilson, which is by Nebraska, had they set up false gods, and they called them "Teachers," and they paid homage before them. Verily had they even built for them false temples, which they called by the name of "Schools."

Now was the Lord filled with terrible wrath, for this was to him as a thorn in a lion's foot, and He was resolved that they might know his rage. Therefore, the room in which they slept, which was known by the word "auditorium," did he smear with red and green paints, that neither by day nor by night might they slumber. And when they entered that room were they greatly perturbed, asking: "What is this that has happened?"

And the Lord thundered forth: "This have I done, for I am the Lord thy God. Ye shall not worship false gods from this day forth, yea and even forevermore. A curse I place upon ye, that in what ye call your "cafeteria" from now hence the food that ye are served shall be like carrion that jackals spurn. Further, that thou who call themselves 'teachers' shall be not haughty, shall they do as I command. Lo! Then have I created colors—green, buff, yellow, light gray, dark gray, and even orchid.

"Now shall each 'teacher' choose from them one, and with it paint his room so that he shall not forget thy Lord. No longer neither shall ye pay the 'teachers' homage, verily shall they be paid so little, even in worldly goods, that men shall even say, 'His pay is as meager as that of a teacher.' "
